

B412dn/B432dn Mono Printer

OKI®

The perfect mono printers for desktops and small workgroups: fast, robust and energy-efficient

OKI and The Environment

- LED Technology** Long print head life, high efficiency
- ENERGY STAR® Compliant** Superior energy efficiency
- Duplex (2-Sided) Printing** Saves energy and resources
- Deep Sleep Mode** Lowers power to save energy (<2W)
- Auto Power Off** Saves power during periods of non-use
- Separate Toner and Drum** Less disposable material
- Toner Save Mode** Extends life of toner cartridges

B412dn and B432dn black & white printers from OKI deliver high productivity and high reliability in a compact design.

Highlights:

- Up to 42 ppm print speed and as fast as 4.5 seconds to first page¹
- Clear, crisp output at up to 1200 x 1200 dpi
- Duplex (2-sided) printing, standard
- Deep Sleep and Quiet modes
- Separate toner and image drum for lower operating costs
- Windows® and Mac® OS compatibility
- 667 MHz processor
- Encrypted Secure Print function for protected printing – ensures document confidentiality
- 3 GB memory²
- Upgradable to 880-sheet paper capacity
- High-speed USB 2.0 and 1 GB Ethernet connectivity
- Optional WiFi® wireless LAN and 530-sheet 2nd paper tray
- Compatible with mobile printing apps such as AirPrint™, Google Cloud Print™ and the OKI Mobile Print app for Android®
- 1-Year limited depot warranty³; 5-Year limited printhead warranty
- Live, toll-free technical support 24/7/365³

The B412dn and B432dn Digital Mono printers from OKI have what you're looking for in desktop/small workgroup printers: smoother workflow and a better bottom line.

If you're looking to improve the productivity and lower the operating costs of your business, the B412dn and B432dn offer all of that and more.

For starters, these printers deliver up to 42 ppm, with the first page printing as fast as 4.5 seconds,¹ and feature a fast 667 MHz processor plus 3 GB of memory².

They produce black & white output that's clear and crisp at up to 1200 x 1200 dpi resolution, using a two-piece consumables system for long-lasting performance and a low cost of operation.

Starting with their 350-sheet standard paper capacity (250-sheet main paper tray + 100-sheet multi-purpose tray), each device can be outfitted with an optional 530-sheet 2nd paper tray to boost maximum paper capacity of 880 sheets—for longer uninterrupted productivity.

In terms of durability and reliability, B412dn/B432dn printers are tough—with a monthly duty cycle rated up to 80,000 pages.⁴

Energy-efficient printing – Duplex (2-sided) printing comes standard with these printers, leading to fewer user interventions and savings on energy and media costs.

In Deep Sleep mode, energy consumption is reduced to less than 1.5 watts, and the Auto Power Off feature can shut down the unit after a long period of no activity. It's no surprise these printers have earned the Energy Star® rating.

Fit for any work environment – Their compact size enables the B412dn/B432dn to fit just about any work space. They have USB 2.0 and 1 GB Ethernet interfaces standard, a WiFi® (802.11 a/b/g/n) option, and support cloud/mobile solutions such as Google Cloud Print™, AirPrint™ for Apple iOS and OKI Mobile Print app for Android® devices.

Both printers offer PCL® 5e and PCL 6 emulation, and the B432dn has PostScript® 3™ standard—so they perform equally well with the most popular Windows® and Mac operating systems.

Backed by unmatched support – OKI is so confident in the reliability and performance of your B412dn/B432dn printer that we provide an industry-leading 5-year printhead warranty and a 1-year carry-in depot printer warranty.³

If you need technical assistance, you can speak to a live expert located in North America by calling 800.OKI.DATA (800.654.3282).³ That's 24/7/365.

The B412dn and B432dn Mono Printers prove that you can always expect more from OKI.

The B412dn/B432dn at a Glance
