The quiet type

Work comfortably and in silence with the TKM-450 Keyboard and Mouse set – the quietest keyboard and mouse we’ve ever made. And when we say quiet, we’re talking ‘library quiet’.

Working for the planet

Ready to get eco-friendly? With a 4* Clevergreen rating, the TKM-450 is made with 85% recycled materials and arrives in sustainable cardboard packaging.

Ready to clock in

A durable design means this desk set is ready to work overtime. Meanwhile, use the included Duracell batteries to enjoy up to 48 months of working time for the keyboard and 12 months for the mouse.

Your comfort zone

A fully wireless keyboard with integrated wrist rest and soft keystrokes keeps you productive and comfortable – and your hands happy.

At the push of a button

Easily accessible media and office keys mean you’re an instant away from sharing that genius presentation – or sneaking in a bit of Netflix over your lunch break.

Splash zone? No problem

Spill-resistant keys protect your keyboard from liquids – like that extra-large coffee. Because, hey, sometimes it’s just that kind of day.
