

ErgoSoft™ Wrist Rest Mouse Pad

Feel the Difference

K52888EU

Product Description

Optimising comfort and performance, Kensington's ErgoSoft™ Wrist Rest Mouse Pad combines an ergo-friendly design with best-in-class tracking for optical and laser mice. Featuring an ultra-soft exterior that is supported by gel cushioning and a unique texture that optimises mouse performance, the ErgoSoft Wrist Rest Mouse Pad provides a difference you can feel.

Features

- Ultra-Soft Wrist Rest features a premium ultra-soft exterior supported by gel-cushioned padding to provide unmatched quality and comfort.
- High-performance mouse pad surface provides best-in-class tracking control for both optical and laser mice.
- Ergonomist approved to support the optimal health, comfort and protection of your wrist through proper alignment, tailored dimensions and a unique curved design that minimises the impact of repetitive strain.
- Professional performance-focused design combines functional and sophisticated low-profile elegance with a preferred hard mouse surface, non-skid backing and an easy-to-clean surface.
- Non-toxic materials independently certified for safety and compliance.
