

## AXIS S9002 Mk II

### Effective 4K surveillance for server installations

AXIS Camera Station S9002 Mk II Desktop Terminal is an easy-to-install desktop terminal for high-definition surveillance with support for four simultaneous 4K streams. The terminal is preloaded with AXIS Camera Station client and all necessary software and is preconfigured to minimize installation time. With its slim form factor, AXIS S9002 Mk II complements Axis rack servers to create a high-end surveillance workstation. The terminal has validated hardware components, such as graphic card and CPUs and supports four monitors for optimal system overview. AXIS S9002 Mk II includes three-year hardware warranty with on-site replacement service, a keyboard and computer mouse.

- > **Ease of installation**
- > **AXIS Camera Station client included**
- > **Validated high performing hardware**
- > **High-definition surveillance up to four 4K streams**
- > **Extensive support**
