

HP Notebook Mobility Kit - 40 cm (16")

Casual classic case & mouse

A value line bundling of the essentials - sturdy padded carrying case with the capacity for up to a 40 cm (16") diagonal notebook as well as a traditional wired mouse. HP quality and reliability at an affordable price.

The ideal basics

The combining of an efficient and durable carrying case with a reliable wired mouse provides the ideal pairing for the mobile computer user.

Ample room

The sturdy and spacious carrying case protects up to a 40 cm (16") diagonal notebook, with additional organizational sections for documents, cables, pens and other essentials.

Reliable wired control

Simply plug the optical mouse into a USB connection and you are ready to use, with no software installation or set-up required.

Convenient carrying

Ease of transporting with a sturdy handle as well as optional detachable shoulder and luggage straps, which may be securely fastened to free your hands.
