A MONITOR THAT CREATES AN IMPRESSION

SUPERB COLOR, INFINITY DISPLAY, ARTISTIC DESIGN.

Like an artist's canvas, the Lenovo^m L27q-m0 represents pure perfection of color and detail. From the stunning 27" borderless design to the superb QHD resolution (2560 x 1440), this is a monitor that's sure to make an impression. 1.07 billion colors and 99% sRGB colour gamut deliver superb vibrancy and fidelity, while the expansive infinity viewing area enhances entertainment productivity. And for gaming, the extreme 4 ms response time ensures a smooth, rich experience.

WHY YOU SHOULD BUY THE LENOVO L27q-10 MONITOR

Viewing perfection

The superb clarity of QHD resolution (1.77x more pixels than FHD) combine with 99% sRGB color gamut and 1.07 billion colors for truly exquisite display quality.

Borderless design

A super-narrow 4.4 mm bezel houses the 27" Near-Edgeless screen for an optimum display area. Just 1.6 cm thin with easy cable management, L27q-10 enhances any environment.

Uncompromising features

Enjoy a smooth experience with 4 ms response time and versatile connectivity. TÜV Eye Comfort certification means minimizes reflection and reduces eye fatigue.

THE LENOVO L27q-10 MONITOR IS BEST SUITED FOR

1

Trendsetters who are first to seek out the latest fashionable designs and functional features that suit their lifestyle.

2

Design-conscious people who want a stylish, well-designed, well-priced display that's as good for work as it is for home entertainment.

Anyone who follows the latest technologies and features, and those who favor simple yet comprehensive functionality.
